To The Weekly Star: Inclosed find postoffice order for five years' subscription The Weekly Star. I like The Star because it is clean and unprejudiced. It sees the good in things without regard to the source or party from which it comes. I like The Star because it has convictions. of its own and has the courage to proclaim these conviction. It does not seem that The Star is seeking popularity, but that it is seeking the truth and the justice of all things. Its politics is good government. These things have made The Star popular. We would probably be safe in saying that the position taken and maintained by The Star is unique. The Star ought to be in every home in the United States - T. C. Allen, Lockwood, Mo.
